**NEW YORK TIMES BEST SELLING AUTHOR TED DEKKER ENDS  
POPULAR CIRCLE SERIES WITH THE BEGINNING: NEW NOVEL GREEN  
RELEASING SEPTEMBER 1**

**FANS INVITED TO GO INSIDE DEKKER'S WORLD ON JUNE 6  
AT THE GATHERING EVENT IN FRANKLIN, TN**

April 20, 2009...Nashville, TN... The beginning is also the end in New York Times Best-Selling Author Ted Dekker's highly-anticipated new novel, GREEN, otherwise known as "book zero," in the multi-layered epic CIRCLE series. The suspenseful adventure will be available in bookstores across the country on September 1.

The CIRCLE series—BLACK, RED, and WHITE—has already sold more than 700,000 units. Dekker says his new novel GREEN is the preferred starting point for new readers and the perfect climax for the countless fans who have experienced BLACK, RED, and WHITE.

"Christian youth are discovering their own roots, often for the first time. Redemptive History is a heart-wrenching tale full of twists and fantastic romance. If put in the people's language, the story is irresistible" said Dekker.

Also starting on September 1, Thomas Nelson will release a limited edition 5th Anniversary box set containing the hardcover publications of BLACK, RED, White (which have not been available from retailers for some time) and Green. Also, Thomas Nelson will release repackaged editions of the tradepaper editions of BLACK, RED, and WHITE, which will include each respective title's graphic novel in black and white.

As Dekker fans anxiously await the release of the new products for the Circle Series on Saturday, June 6 fans will be able to meet Dekker in person at the 3rd Annual “The Gathering,” event at The Factory in Franklin, TN, a one-day event that will draw fiction fanatics into the worlds of Dekker’s tales and give them a taste of his life as a writer.
