NEW ARTIST JOY WHITLOCK HEADLINES ACOUSTIC TESTIFY TOUR

** New artist Joy Whitlock is headlining the Testify tour as it kicks off June 28 at Cornerstone Festival in Bushnell, IL. The acoustic tour will also introduce audiences to indie duo Carolina Story who are also launching a "Spare Change" campaign to help in sending aide to needy children in Africa. For tour dates please see below.

**Whitlock received raving reviews for debut album *God And A Girl*, which released last fall on INO/Ardent Records'. Since then, she has been busy writing music and entertaining audiences across the country. Formerly having toured with mentor Todd Agnew, Whitlock is ready to head back on the road where she will be performing songs from her debut that reveal the struggles she has encountered and how she conquered them through Christ. Carolina Story is comprised of husband & wife duo Emily and Ben Roberts. The Memphis-based band just released their debut album.
